

Diversity, Equity and Inclusion Statement July 2021:

As a community that is committed to valuing and supporting all identities and experiences, HSV strives to promote inclusivity and embrace diversity, in all senses of the word, within our organisation. In line with the mission statement centered around lifelong learning and global citizenship, we aim to prepare students for life in a diverse society by teaching them to reach beyond themselves and respect the dignity of all people.

Throughout the 2021-2022 school year, the Diversity, Equity and Inclusion workgroup, which consists of staff members from all HSV-departments, will develop an implementation plan to execute this statement. Opportunities for the involvement of students, family members and staff will be ongoing in order to develop a plan that reflects the input of the entire school community. Together we will work to ensure that all members of the HSV-community feel a deep sense of belonging.
